FAMILY NEWS/EVENTS

Our sympathy to the family of Beasley Rodgers, who passed from this life on Friday, January 20. Beasley had been in failing health for a long time and God just 'came to believe' it was time for him to be given eternal rest. His funeral was Tuesday, January 24, at McDonald Funeral Home.

01/28: Clay Dyer, a young man who has persevered despite unbelievable odds, will be here to speak on being "Hooked on Christ." There will be a meal in the Fellowship Bldg. at 5 p.m., and Clay will speak in the church auditorium around 6 p.m. The meal will be provided except for desserts. The ladies of this church have been asked to bring cookies or brownies. No pies or cakes. When you think you have made enough, make more!!!! They will be needed.

Sunday, January 29, 2012

This is the 5th Sunday, so the total contribution will go toward the New Building Fund. Clay Dyer will probably be here so he or Devin will be the Sunday morning speaker.

YOUTH NEWS/EVENTS

I am so pumped up about this upcoming Saturday. Clay Dyer will be our guest speaker and has to be one of the greatest inspirational speakers ever! To witness what this man has overcome, it just goes to show how true Paul's saying is in Philippians 4:13..."I can do everything through Him who gives me strength." Not only am I pumped up to get to hear Clay, but to be around so many teens at the Field. If you are a teenager, I strongly urge you to attend this wonderful event to see a man with only part of an arm, and no legs, cast a fishing pole with precise accuracy, and can fish better than you and I! Come out and see how Clay has beaten everything Satan has thrown at him only through Christ Jesus that gave him the strength. You too can overcome obstacles in your life when you take Jesus into your life as your personal savior. Hope to see you this Saturday at 5:00 p. m. You won't be sorry you came!!

This past Sunday our youth group took a little trip to the Vanderbilt Memorial Gym to witness a heart breaking overtime loss to South Carolina. We sure got our moneys worth at this game! Despite the grim faces at the end of the game, memories were made once again. I love these trips, not only to show others that Jesus lives in us, but also the personal relationships that we each build with each other. After each trip, I have to purchase a new memory card to hold the data Ha, Ha. Fun, fun, fun !!! Come join us and be a part of our youth group. We have an amazing year still to come.

TGIF, Rodney

"If winter comes, can spring be far behind?" I guess spring is not far away because I looked out my bedroom window this morning and saw jonquils in bloom. I'm sure the crocus will not be far behind. Go the extra smile...Carolyn
